

Nursery Curriculum Overview

Autumn Term

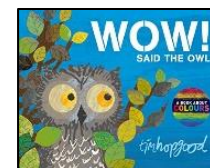

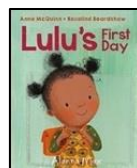

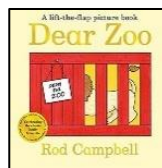

All about Me and Awesome Autumn

I can sing a rainbow and It's Christmas

Our focus this term: *Settling, relationships, routines and feeling safe and secure in Nursery.*

Here are *some* of the books that we will be reading in the Autumn Term with your child.

MAKING CONVERSATION

Children will enjoy daily stories, songs and rhymes, practise listening and responding, learn new vocabulary and begin to talk about their own experiences.

MANAGING ME

Children will develop secure relationships, learn Nursery routines and expectations, and become increasingly independent with simple self-care such as handwashing, toileting, coats and shoes.

MUSCLES AND MOVEMENT

Children will explore the outdoor environment through running, climbing, balancing and obstacle courses, while developing hand strength and control through play and using a range of tools.

MARK MAKING AND MEANING

Children will enjoy books and rhymes, recognise their name, explore a variety of mark-making materials and begin to give meaning to the marks they make.

MATHEMATICS

Children will explore number through songs and everyday experiences, begin to notice quantities, investigate size and shape and enjoy sorting, building and simple patterns.

MY MARVELLOUS WORLD

Children will explore themselves, their families and the changing natural world. They will encounter different celebrations and traditions and express themselves through painting, making and other creative experiences.
