

Reception Curriculum Overview

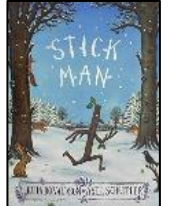

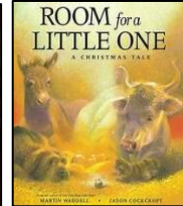

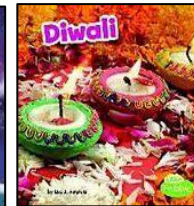

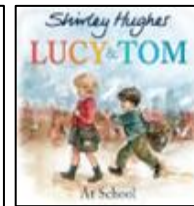

Autumn Term

*Me and My World and Awesome Autumn
Colour and Light and It's Christmas!*

Our focus this term: *Settling into school, developing routines and securing the early foundations for reading, writing and mathematics.*

Here are *some* of the books that we will be reading in the Autumn Term with your child.

MAKING CONVERSATION

Children will develop listening and turn-taking, share their ideas, talk about stories and experiences and learn new vocabulary through rich conversations.

MANAGING ME

Children will learn classroom routines and expectations, build relationships, talk about their feelings and become increasingly independent in managing their belongings and the school day.

MUSCLES AND MOVEMENT

Children will build strength, balance and coordination through daily movement and outdoor play, while developing hand strength, pencil control and confidence using tools.

MARK MAKING AND MEANING

Children will begin daily Read Write Inc. phonics, develop oral blending and segmenting, learn letter formation and use their growing phonics knowledge to read and write simple words, labels and captions.

MATHEMATICS

Children will develop confidence in counting objects accurately, recognise small amounts without needing to count each one, compare groups and begin to explore how numbers can be made in different ways. They will also learn and use mathematical words to explain what they notice.

MY MARVELLOUS WORLD

Children will explore themselves and their families, Autumn and seasonal change, celebrations including Diwali and Christmas, and investigate light, dark and the natural world.
