

Reception Curriculum Overview

Summer Term

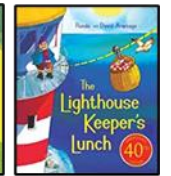

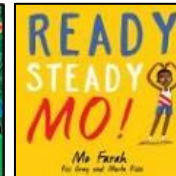

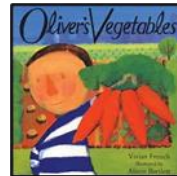

Nature Explorers and Out and About...

Creatures Great and Small and Ready Steady Go!

Our focus this term: *Building fluency, resilience and independence so children are ready for the next stage of learning in Year 1.*

Here are some of the books that we will be reading in the Summer Term with your child.

MAKING CONVERSATION

Children will participate confidently in conversations and discussions, explain their ideas, use increasingly precise vocabulary and retell stories and experiences in sequence.

MANAGING ME

Children will take increasing responsibility for themselves and their learning, work cooperatively, persevere with challenges and talk positively about transition to Year 1.

MUSCLES AND MOVEMENT

Children will develop stamina, coordination and confidence through team games and physical challenges and use pencils and other tools with increasing accuracy and control.

MARK MAKING AND MEANING

Children will continue daily Read Write Inc. teaching, learn Set 2 sounds where appropriate, read with increasing fluency and write sentences and simple texts for a range of meaningful purposes.

MATHEMATICS

Children will deepen their understanding of numbers to 10, including how numbers can be split and combined in different ways. They will explore number bonds, doubles and patterns, count beyond 10 and use what they know to solve practical problems and explain their thinking.

MY MARVELLOUS WORLD

Children will investigate plants and living things, cook and design for a purpose, explore travel and holidays past and present and express themselves through art, music, poetry and performance.
